### BUDGET MESSAGE FY 2021-22

#### INTRODUCTION

Once again I am pleased to present the proposed FY 2021-22 City of Reedsport budget for your consideration..

The budget is the single most important process that the City Council engages in on a continuing basis. The budget is, first of all, a policy document. It establishes the activities and programs that the City is going to pursue and provides a plan of organization for implementing those activities. Staffing and resource levels are also set in the budget. So the budget provides an operation plan as well.

This budget the City staff has prepared is balanced, conservative and based on our commitment to you, its elected officials and the citizens of Reedsport of fiscal accountability and responsibility. The good news is the proposed budget is prepared with healthy beginning fund balances in all departments. Again the City continues its strategy of supplementing revenue with grants both local, regional and at the national (Federal) level.

A year ago, I reported that the economic impact of the Covid-19 pandemic was being predicted to exceed anything experienced since the end of the World War II. At the date of that composition, no one predicted that the world would still be combatting the disease one year later and would be no closer to predicting the full true economic impact.

Overall the City of Reedsport has seen increases in the cost of materials and services along with delays in availability. However, partially due to the proximity of the City to the Oregon Coast and the availability of a variety of outdoor recreational oppurtunities the economic position has not experienced as large of an impact as originally estimated.

Over the last year the City has continued to experience stong signs of economic growth through new housing starts and real estate sales including commercial venues. Many small businesses in the hospitality sector have been forced to shutter intermittently based on a series of metrics assigned by the State of Oregon. The total number of cases of Covid-19 reported within Douglas County along with the number of hospitalizations and deaths related to the disease are analyzed to determine where a County is categorized and what activities are allowed within the County.

It has been announced that as part of the America Rescue Plan Act of 2021 all Cities in the State of Oregon will receive a pre-determined allocation to assist in balancing revenue losses, Covid-19 expenses and future costs along with a small business relief element. The full uses allowed for these funds has yet to be fully determined and will be discussed more in the future. These funds have been included in the Budget as revenue but no funds have been allocated to a specific expense at this time. Staff will be seeking community engagement is determining the best uses for these funds.

## **GENERAL FUND HIGHLIGHTS**

### Background:

Oregon's property tax system continues to be one of the most important sources of revenue for the public sector in Oregon. Since the 1990s when two statewide ballot measures, Measure 5 and Measure 50, dramatically altered the traditional taxing system. These Measures introduced property tax rate caps and put limits on assessed property values creating a condition called "Compression."

Under compression, the Douglas County has seen a slower rate of growth than other areas of the state resulting in a neutral property tax revenue. The City will be proposing the same tax revenue that was proposed in fiscal year 20/21 due to the current estimate remaining virtually unchanged. We are anticipating an increase in property tax in future years due to the large amount of activity in the real estate market, however that will not be realized in this fiscal year.

I am please to report that there have been 7 new housing starts during the year. The City has received a planning application for a 70+ unit apartment building and reviewed a proposal from a private developer for a large RV camp site within the City limits.

### 2020-2021 Fiscal Year in Review:

The City of Reedsport has had many projects and events planned throughout the year, however, most events were canceled due to the world wide pandemic. The year was instead spent gathering as much information related to the State of Emergency as possible to pass on to citizens and businesses alike. The City redirected efforts of staff to find the most effective ways to assist our small businesses to re-emerge from a complete economic shutdown and intermittent partial shutdowns throughout the year. The Main Street program utilized their website to direct businesses to relief programs and other assistance along with coming up with creative ways to directly benefit them as well. Our business liscence fee was waived and utility assistance was considered.

### Police:

The Covid-19 pandemic sent one new recruit back home from the training academy and delayed one from being able to attend for an extended period of time. Both of those officers are now certified, have completed the required field training and are able

to function on their own. The Union Contract will expire at the end of this fiscal year. Negotiations will begin in the spring. It has been budgeted to purchase one new patrol car.

The Coos County prisoner-housing contract was renewed. This program continues to benefit the City and Police Department by providing inmate workers for projects and adding additional funds for programs and materials needed in relation to the department. It has also had a very positive rehabilitation aspect (unintended consequence) for the prisoners that we will continue and grow.

The Reedsport Volunteer Fire Department was able to purchase a used Fire engine in April. 1991 Pierce type 1, triple combination pumper was replaced by a 2003 KME Excel custom pumper.

The summer of 2020 proved to be extremely dry and the department was dispatched to 4 upland wild fires in our area. One of these fires was approximately 1 mile from the City water source at Clear Lake but was quickly extinguished.

#### 2020-2021 Fiscal Year:

For the first time in many years the Police Department is fully staffed, however will be looking for ways to retain a fully trained officer upon the return of an officer currently out on reserve. It is very difficult to find trained officers and very expensive to train them, therefore it may be in the best interest of the City to retain an officer due to upcoming retirements and potential turnover.

The police department will continue working towards its goals on two projects to help with training for high risk areas of law enforcement. The first being the range facility used for Handgun, Rifle and Shotgun proficiency. The Range is being enhanced for safety and will be expanded to include areas that will assist in training for building entries, and high risk shooting. It will also be brought up to standards for noise reduction. The second, a K9 Shelter facility is continuing to be expanded to accommodate a safe environment to train and house our department K9's.

Both the range and K9 facilities will be used to reduce the liability to the city by having increased training times while minimizing overtime.

#### **WATER AND SEWER UTILITY FUND HIGHLIGHTS**

This year the Water Department will be focusing on maintenance projects, mainly valve replacements. In 2020-21 the Department experienced a large amount of water line breaks that were further hindered by non-functioning shut off valves. This does not allow the crews to achieve a full shut down in order to complete the repairs. An inventory of needs will be performed this summer.

The Waste Water Department will be working on several maintenance projects again year. This year will mostly consist of engineering on a force main relocation and pump station replacement project, construction is scheduled for late 2022. The City is in the process of applying for Community Development Block Grants to fund this project.

### **STORM WATER FUND HIGHLIGHTS**

The City remains the leader of the levee certification process in Oregon and has completed all necessary analysis for levee certification. It has been identified that the challenge of upgrading the levee to meet the necessary Federal standards is going to be one of the largest capital projects in the City's history. Current estimates for the levee upgrades have reached 5.5 million and continue to grow as cost of materials and services continue to climb.

The City has now completed two pump station upgrades and is working on completing the other two. Improvements are scheduled to continue into the 2021-2022 fiscal year with a final pump addition to the Elm Street pump station and potential outflow upgrades.

The City completed a Corp of Engineer levee inspection during the year. The agency noted that they are pleased with the upgrades they have seen so far.

### **STREET FUND HIGHLIGHTS**

Planned street improvements and infrastructure replacement projects have been budgeted for and scheduled.

Staff will again be applying for Small City Allotment grant funds to help fund larger project projects in the future. Normal patching and painting will occur.

### **Conclusion:**

As you know, I have large expectations for what the future of Reedsport looks like and I hope that you can share this vision with me. Nothing great is accomplished overnight and while it seems like the City's renewal is moving along at a snail pace, it is indeed moving in a forward trajectory. A lot of great ideas and plans have been set in motion over the last several years and it is my goal to continue chipping away at those visions. While this fiscal year may seem like a pause year for physical projects it is necessary step towards planning the future.

It is with great pleasure that I present you with the current 2021-22 fiscal year budget document.

Respectfully submitted,  
Deanna Schafer  
City Manager

# CITY ORGANIZATION CHART

**CITY OF REEDSPORT**  
**Fiscal Year 2021-2022 Budget**

**DUTIES OF THE BUDGET COMMITTEE  
AND CITY COUNCIL**

The Budget Committee is made up of the Reedsport City Council and a like number of Reedsport citizens (electors) appointed by the City Council (ORS 294.305 et seq.). It is the duty of the Budget Committee to receive the proposed budget from the Budgeting Officer (the Reedsport City Manager), review the proposed budget, make revisions as desired, and approve the budget for presentation to the City Council.

The procedure is as follows:

1. The Budget Officer prepares the proposed budget.
2. The Budget Officer publishes the "Notice of Budget Committee Meeting."
3. The Budget Committee meets to receive the Budget Message and proposed budget.
4. The Budget Committee receives public comment(s) or question(s) on the proposed budget.
5. The Budget Committee announces the time of any subsequent meeting(s).
6. The Budget Committee approves the budget after deliberations.
7. The Budget Officer publishes the approved "Budget Summary" and "Notice of Budget Hearing."
8. The City Council holds the Budget Hearing.
9. The City Council adopts the Budget, makes Appropriations, and declares & categorizes taxes.
10. The County Tax Assessor certifies the taxes for collection.

Budget Committee meetings may be held as often as necessary. Subsequent meetings are announced in a previous public meeting.

**FISCAL POWERS OF THE BUDGET COMMITTEE**

The Budget Committee as a whole, or through majority action, has the power to:

1. Limit the amount of taxes that may be levied.
2. Establish a tentative maximum for the total permissible expenditures for each fund subject to revision by the City Council.

**FISCAL POWERS OF THE CITY COUNCIL**

Following public hearing on the approved budget, as approved by the Budget Committee, the

City Council may:

1. Reduce or eliminate any revenue source.
2. Reduce or eliminate any proposed expenditure.
3. Transfer revenues or expenditures within any fund or from the General Fund to any other fund.
4. Increase expenditures by no more than ten percent per fund over the approved budget (as approved by the Budget Committee).
5. Increase expenditures by more than ten percent per fund over the Budget Committee approved budget if a summary of a revised budget is again published and another public hearing is held.

**CITY OF REEDSPORT**  
Fiscal Year 2021-22 Budget

**Property Tax Calculation**

FISCAL YEAR	TOTAL ASSESSED VALUE			TAXES IMPOSED		
	Amount Assessed	Amount of Change	Percent of Change	Amount Imposed	Amount of Change	Percent of Change
2015-2016	\$242,123,717	\$5,128,686	0.0216	\$1,332,053	\$28,955.00	0.0222
2016-2017	\$244,489,011	\$2,365,294	0.0098	\$1,343,963	\$11,910.00	0.0089
2017-2018	\$249,023,087	\$4,534,076	0.0185	\$1,382,608	\$38,645.00	0.0288
2018-2019	\$254,861,544	\$5,838,457	0.0234	\$1,462,861	\$80,252.82	0.0580
2019-2020	\$261,698,182	\$6,836,638	0.0268	\$1,524,296	\$61,435.18	0.0420
2020-2021	\$268,487,032	\$6,788,850	0.0259	\$1,566,775	\$42,479.20	0.0279
Actual Assessed Value for 2020-21				\$268,487,032		
Estimated value of growth for 2021-22				1.030		
Estimated Assessed Value for 2021-22				\$276,541,643		
City of Reedsport Permanent Tax Levy Rate				6.1882		
Estimated taxes to be imposed				\$1,711,295		
Estimated loss due to compression				\$95,000		
Adjusted estimated taxes to be imposed in 2021-22				\$1,616,295		
Assumed discounts and delinquent taxes (D&D) rate				10.0%		
Estimated amount of D&D for 2021-22				\$161,629		
Property Taxes Budgeted , less D&D				\$1,454,665		

One of the major changes to the budget law, in the Post-Ballot Measure time, is that the Budget Committee can either approve the amount of taxes to be imposed or approve the permanent tax levy rate (ORS 294.406 and 294.435.).

**The Douglas County Tax Assessor recommends that the Budget Committee approve the permanent tax levy rate which is \$6.1882/\$1000 of assessed value**

**City of Reedsport**  
**City Council**  
001-100

**Organization and Mission**

The City Council consists of a Mayor and six Councilors elected from the City at large. Councilors are assigned numbered positions one through six and serve a term of four years. Three Councilors are elected at each biennial general election. At each biennial general election a Mayor is elected for a term of two years. The Mayor serves as the political head of the City Government. Additional officers of the City are a City Recorder, a City Attorney, a City Manager, and at the discretion of the Council, a Municipal Judge and whatever other officers the Council deems necessary. The Municipal Judge, the City Attorney, and the City Manager are appointed by the Council. Other additional officers are appointed by and responsible to the City Manager. The Council, as needs dictate, may appoint one or more pro tem Municipal Judges to serve such term as the Council provides. They also appoint members to the Planning Commission, Parks and Beautification Committee, Budget Committee, Traffic Safety Committee, Dangerous Building Abatement Board of Appeals, and Umpqua Experience Steering Committee. They serve as the board of the Urban Renewal Agency and appoint members to the Urban Renewal District Advisory Committee as well as serve on both the City and Urban Renewal Agency Budget Committees.

**FY 20-21 Year in Review**

Council continues to support City staff in writing grants for capital projects, including levee recertification.

The City Council saw three council positions and the mayor elected at large in the November Election as well as a 3% tax on the sale or transfer of recreational marijuana and marijuana-infused products and extracts within the City. With the COVID-19 Pandemic in full effect the Council met virtually via the Zoom platform for several months throughout the year. The City Council also facilitated the hiring of a new City Manager.

**FY 21-22 Budget Highlights and Challenges**

The issue of repairs of the City's levee is still a primary concern, one that can hinder development of the downtown area and put current business owners at risk of high premiums for flood insurance.

The Council departmental unit budget includes funding for Municipal Code updates.

The budget includes funds available for Mayor and Councilor training courses.

**CITY COUNCIL  
001-100**

**City of Reedsport**  
**City Manager's Office**  
**001-101**

**PERSONNEL ASSIGNED TO THE FUND**

**1.40 FTE**

City Manager.....	1.00
Executive Assistant .....	0.40

**Organization and Mission**

The City Manager is appointed by the City Council. The City Manager's office provides the City with a chief executive officer and support staff for that officer. The City Manager is responsible for implementing policy adopted by the City Council and for the general supervision, selection, and hiring of all City department heads. The City Manager supervises City contracts and purchases, and is responsible for preparing and submitting to the budget committee the annual budget estimates and such reports as that body requests. The City Manager supervises the operation of all public utilities owned and exercises general supervision over all City property.

**FY 20-21 Year in Review**

Economic development is an important function of the City Manager's office. This constitutes a good portion of the City Manager's workday as they fields the calls for potential businesses or from people looking to purchase or develop commercial property.

The City is continuing to seek grant funds to aid with the Reedsport levee certification project and is in the final stages of engineering.

The City's property tax revenues continue to be affected by tax compression but do finally appear to be turning around. Properties sales of both commercial and residential sites has been strong in the last year and appear to be continuing. There is a shortage of long-term rentals and the City is encouraging housing development by proposing a Vertical Housing Development Zone overlaying the Urban Renewal Development Zone.

City Recorder Deanna Schafer was appointed City Manager Pro-Tem for two consecutive six month terms. In December of 2020, City Council approved a four-year contract to appoint Deanna Schafer as the City Manager.

**FY 21-22 Budget Highlights and Challenges**

Special areas of emphasis in FY 21-22 include the pursuit of the following goals:

- Continue writing grants to secure funding to correct deficiencies in the downtown levee system.

**City of Reedsport**  
City Manager's Office  
001-101

- Continue writing grants to help address aging infrastructure and leverage tax dollars to our area.
- Work with investors and other agencies to attract new businesses to Reedsport.
- Continue to work with and retain local businesses.

**CITY MANAGER  
001-101**

**City of Reedsport**  
**Finance Department**  
**001- 102**

**PERSONNEL ASSIGNED TO THE FUND**

**1.55 FTE**

Finance Director.....	0.80
AP/AR/Payroll .....	0.35
UB Clerk/Finance Assistant .....	0.25
Court Clerk/Planning Secretary .....	0.15

**Organization and Mission**

The Finance Department is responsible for both the day-to-day financial operations of the City and for financial budgeting and strategic planning. The Finance Director is responsible for all auditing, budgeting, and daily finance operations, and the full-time staff of three does everything from paying the bills, recording and depositing cash, checks, and online payments that we receive daily. Finance is also responsible for the support of the City's Municipal Court, including the administration of fines and forfeitures, and supporting the Municipal Court Judge. The Department is responsible for the development of financial policies and implementation of sound business practices. In addition to customer service involving water and wastewater billing and collection, the other major responsibilities of the department include preparation of the annual budget for review by the City Council, and preparing the books and closing the fiscal year in anticipation of working with our auditors on the annual audit.

**FY 20-21 Year in Review**

In Fiscal Year 2020-21, In August, the finance department lost its Accounts Payable/Payroll Clerk. In December our Utility Billing clerk moved over to the vacant position and we hired a new Utility Billing/Front Desk clerk.

The audit for Fiscal Year 2019-20 (FY20) was completed timely and sent to Secretary of State Division of Audits. Pauly, Rogers, and Co., conducted the entire audit offsite due to the Covid restrictions.

**FY 21-22 Budget Highlights and Challenges**

The FY 21-22 budget includes a finance department that is fully staffed. We retain the services of a financial consultant, a former Finance Director for the City, as we continue to work . We will continue to update and improve financial policies.

**FINANCE  
001-102**

**City of Reedsport**  
Legal Services  
001-104

**Organization and Mission**

The City Attorney is responsible for advising the City on questions of law, reviewing all ordinances, resolutions, contracts and other legal documents of the City.

Outside legal counsel is used only where there is a conflict of interest involved with the City Attorney or where the City is involved in a specialized area such as personnel matters, land use issues, or labor issues.

The category listed as other legal services and litigation includes costs for services outside the scope of the regular City Attorney duties.

**FY 20-21 Year in Review**

As budget challenges continue to negatively impact the General Fund, the Budget Committee had recognized and recommended several cost savings measures, including the elimination of the Legal Services monthly retainer. Per rulings by the IRS and the Oregon Dept. of Revenue, contract employees must maintain responsibility for their own materials and services. Therefore, this budget eliminated the expenditures for supplies, conferences and travel, books and periodicals, and dues and fees.

An hourly contract was negotiated and signed in December 2012 which replaced the monthly retainer contract for the City Attorney.

**FY 21-22 Budget Highlights and Challenges**

An estimated \$22,000 is budgeted for these services with an additional \$10,000 budgeted if Outside Counsel services is required.

**LEGAL SERVICES

**City of Reedsport**  
**Municipal Court**  
**001-105**

**PERSONNEL ASSIGNED TO THE FUND**

**0.50 FTE**

AP/AR/Payroll .....	0.05
UB Clerk/Finance Assistant .....	0.05
Court Clerk/Planning Secretary .....	0.40
Municipal Court Judge .....	Contracted Service
Prosecuting Attorney .....	Contracted Service

**Organization and Mission**

The Municipal Judge, a contracted position, provides the City with a Chief Judicial Officer (Judicial Branch). This court is not a court of record. The Municipal Court administers all court cases within the City of Reedsport municipal jurisdiction, which include violations and crimes through and including all levels of misdemeanors.

The City Prosecutor is the chief prosecuting attorney for the City, which involves reviewing, negotiating and/or trying criminal cases filed in the Municipal Court or appeals there from.

Most of the expenditures in this departmental unit are dictated by the number and type of cases that come before the court.

State Fine Assessments and Douglas County Assessments constitute a substantial portion of each citation or criminal complaint; therefore, the number and type of citations has a direct impact on this and other associated line items.

**FY 20-21 Year in Review**

With a full staffed Police Department, the court fine revenues started to increase again in the 2020-21 FY. Unfortunately with Covid-19 we have seen a decrease in court fine revenue in the current year. Traffic Court is still being held just once per month, with some additional time scheduled for trials and status conferences, as requested by the judge or prosecuting attorney.

Online payments are becoming more of the norm for court clients, which alleviates some of the burden on front counter staff.

**City of Reedsport**  
Municipal Court  
001-105

**FY 21-22 Budget Highlights and Challenges**

Revenues are projected this year to increase from prior year. Projected revenues are being cautiously stated since we are uncertain of the outcome of the pandemic. Costs associated with trials are expected to increase as the trend of trials is increasing. The cost of judge services is also expected to rise.

As this will be the fourth year for the Municipal Court Clerk, staff will continue to seek trainings and classes for the Clerk to attend.

**0.25 FTE**

AP/AR/Payroll .....	0.05
UB Clerk/Finance Assistant .....	0.05
Court Clerk/Planning Secretary .....	0.15
Part-time Planner .....	contracted service

**Organization and Mission**

The Planning Department exists as a resource for developers, property owners, business owners, citizens and other city departments, and provides information to the public about Comprehensive Plan policies, population growth, development trends and land use. The Planning Department provides professional support for the Planning Commission and City Council; coordinates land use reviews to ensure compliance with the state wide planning goals and city development codes.

Under State law the City is required to have a Planning program. A contracted planner will work two days a week with the assistance of a part-time Planning secretary.

**FY 20-21 Year in Review**

The City has contracted with the Sheldon Planning LLC for a part-time planner whom is in the office one to two days per week assisting with pre-application meetings, processing building permits, responding to general planning questions, and assisting in other planning and development projects.

The Planning Department continues to participate in the Deans to Dunes Trail Project implementation as well as, another project related to tsunami resiliency and preparedness called the Beat the Wave simulation and Tsunami Overlay Zone code development. Support will also be provided for the levee certification project, Master Heights water tower planning and other economic development projects.

**FY 21-22 Budget Highlights and Challenges**

Several new homes were started last year and some new commercial activities began. Staff anticipates the Department will continue to see an increase in permits and land use applications.

Master Heights is still for sale and City Staff will continue to work with potential buyers who arise in order to see these lots get sold and developed.

**City of Reedsport**  
Planning Department  
001-106

**Goals:**

- Continue providing excellent customer service, including regular pre-applications with customers regarding potential land use actions, updating forms, handouts, and applications.
- Improve the Community Development section of the City's website by adding updated maps, guiding documents, FAQs, applications, handouts, and meeting information.
- Crosstrain with planner and planning secretary on general planning questions, requirements, and scheduling of pre-application meetings.
- Continue improvements and implementation to the new software for tracking and processing business licenses, building permits, and land use applications.
- Implement a filing system for historical records of building permits and land use applications, in order to decrease staff time spent on research projects and fulfilling public record requests.
- Attend conferences and trainings.
- Apply for planning and community development grants. Particularly, grants that will help to update the Reedsport Land Usage Ordinance and grants to begin implementing the Reedsport Levee Loop Trail Master Plan.
- Increase the "in-office" time of the contracted City Planner.

**City of Reedsport**  
**City Recorder Department**  
**001-107**

**PERSONNEL ASSIGNED TO THE FUND**  
**0.60 FTE**

City Recorder ..... 0.60

**Organization and Mission**

The City Recorder Department was established in fiscal year 1998-1999 as part of the Finance Department reorganization. The City Recorder co-signs all orders on the treasury with the Mayor in accordance to the City Charter along with all City Business Licenses. This allows for the process of "separation of duties" as it relates to financial expenditures within our municipal organization as consistently recommended by the auditors. This department has taken on the role of administration of the Human Resources Department and Risk Management including assuming the duties of Payroll clerk and benefits administration. This position serves as the City Election official and oversees Oregon Liquor control licenses, temporary use permits and special event/parade permits.

The City Recorder's Office is comprised of one employee allocated at 60% of a full time employee. (.60 FTE).

**FY 20-21 Year in Review**

Continuing Municipal Code, Resolution and Ordinance updates. Continued Website and Face Book administration. Two Council positions were opened and filled. The City Recorder assumed the role of City Manager/City Recorder in December and a Deputy City Recorder was hired full time to assist in the duties of the City Recorder.

**FY 21-22 Budget Highlights and Challenges**

Special areas of emphasis in FY 21-22 include the pursuit of the following goals:

- Review and amend all city policies to include in policy manual.
- Update document retention program/schedule.
- Reorganize City files and storage of documentation.
- Continue grant writing for future projects.

**CITY RECORDER

**City of Reedsport**  
Community Building/City Hall  
001-108

**Organization and Mission**

This fund is used for disbursement of funds provide for the general services conducted on within the Community Building and City Hall.

The Community Building's main gym and meeting room is available for a charge to all non-profit organizations and private citizens. The gym is open for 24-hour "walk-in" recreation if the facilities are not rented. By policy, the Community Building is not rented to individuals or businesses where a "for-profit" use is intended with the exception of fitness or exercise programs.

**FY 20-21 Year in Review**

The normal maintenance of the community building and city hall building are paid with funds in this budget. The custodian personnel costs were moved to Departmental Unit 410 Public Services and personnel costs for clerk have been moved to Departmental Unit 102 Finance.

**FY 21-22 Budget Highlights and Challenges**

The Community Building part of the building is frequently used for community events. The gym is available for residents to use in the evenings and weekends by checking out a key with the police department if there are no prior reservations made for the building. The after school sports programs are utilizing the facility for basketball and also softball/baseball practice (when weather does not permit for outside play) every year.

**City of Reedsport**  
**Non- Departmental Fund**  
**001- 110**

**Organization and Mission**

The Non-Departmental category is used for expenditures that do not pertain to any particular General Fund departmental unit, that pertain to all departments equally, such as audit fees or insurance and expenditures are controlled by either the Finance Officer or City Manager.

**FY 20-21 Year in Review**

A wide range of services are paid through the Non-Departmental unit, such as fees to various organizations which all General Fund departments utilize; audit fees, postage and office supplies, city advertising for financial legal notices, computer maintenance and software, and General Fund liability/property/vehicle insurance.

**FY 21-22 Budget Highlights and Challenges**

**Unemployment Insurance \$12,000**

Local governments have the option of financing their unemployment insurance costs by paying the State of Oregon Employment Division either on a quarterly basis or by direct reimbursement when billed for an actual claim. The City pays on a reimbursement method when claims are filed due to the low employee turnover.

**Employee Recognition Program \$5000**

In 1989, the City Council adopted an Employee Recognition program to improve employee morale and performance through both individual and group recognition. The Employee Recognition Committee usually hosts a Christmas luncheon for city employees. This year all employees received an engraved yeti mug.

**Educational Benefits Program \$5000**

Fulltime, permanent employees of the City have the opportunity to participate in the educational tuition reimbursement program.

**Volunteer Program \$500**

Through the involvement of citizens in City government and with a cooperative effort between volunteers and City staff, the Reedsport Volunteers program seek to improve the services provided to the City's citizens. The City receives over 10,000 hours of service each year through citizen volunteers. This is the equivalent of 5 full time employees. The dollar value of the volunteer hours received is over \$167,000. The expenses for this program include the amount allocated for a luncheon and awards.

# **City of Reedsport**

## **Non- Departmental Fund**

### **001- 110**

#### **Tourism Promotion \$198,000**

The City acts as the collecting agency for the transient room tax which is collected at all City of Reedsport motels and campgrounds. Winchester Bay motels and campgrounds which have voluntarily agreed to collect transient room tax also use the City as the collecting agency. Tourism in the area is increasing after the economic downturn in 2009. The budgeted amount for 21-2 was developed with the uncertainty of Covid-19. The outcome of tourism income for the local area is an unknown at this time.

#### **Materials & Services \$1,281,798**

A wide range of services are paid through the Non-Departmental unit, such as fees to various organizations which all General Fund departments utilize; audit fees, postage and office supplies, city advertising for financial legal notices, computer maintenance and software, and General Fund liability/property/vehicle insurance. Expenses are increased this year due to an additional Coronavirus Relief Funds.

#### **General Fund Transfers \$67,500**

Due to considerations of reduced property tax revenue, as well as wage and wage-related cost increases, transfers out were reduced this year in order to balance the budget.

- A transfer of \$12,500 to the Riverfront Fund (017) ensured operations to the Umpqua Discovery Center.
- A transfer of \$15,000 to the Fire Equipment Fund (014) continues to build reserves to fund fire equipment to service the citizens of Reedsport.
- A transfer of \$25,000 to General Capital Improvement Fund (025) to be utilized for miscellaneous capital costs.
- A transfer of \$15,000 to the Police Capital Fund (037) to be utilized for the purchase of one more police vehicles.

The amount budgeted as contingency remains at \$100,000 this year. The Unappropriated-Ending Fund balance is slightly reduced from previous years. Last year the City began budgeting PERS reserve in various funds. It is the combination of contingency and unappropriated ending fund balances which provide for the General Fund Beginning Fund Balance for the next budget year.

**City of Reedsport**  
**Police Department**  
**001-200**

**PERSONNEL ASSIGNED TO THE FUND**  
**13.70 FTE**

Sworn Law Enforcement Officers .....	8.30
Office and Dispatch personnel .....	5.40

**Organization and Mission**

The Reedsport Police Department is a 24-hour per day, 7 day per week, full time law enforcement agency. The Police Department's mission is to reduce victimization of our citizens, reduce the effect of crime on victims, and to maintain the quality of life in Reedsport. The Police Department facility houses a full time Communications Center and Municipal Jail. The administration of the Police Department is imparted by the Chief of Police, one Patrol Sergeant, one Police Corporal and one Administrative Assistant/Dispatch-Records Supervisor, Dial-a-Ride Coordinator.

The department's Patrol/Investigations Section staffing is approved for six sworn officers, one Police Corporal, one Patrol Sergeant and the Chief of Police. Sworn officers are responsible for deterring and detecting criminal activities, responding to calls for service, investigating criminal complaints, maintaining traffic safety through enforcement efforts, community problem solving through community orientated policing strategies, code enforcement, animal control, and all aspects of corrections related to jail and inmate management, and emergency management planning. One Officer is assigned as a School Resource Officer. This assignment services the two local schools, all district properties and is partially funded by external partnerships. We have two police K9's assigned to patrol and look forward to enhance training for both that will assist patrol, in apprehension and tracking capabilities.

The department's Dispatch/Records Section is a secondary Public Safety Answering Point (PSAP) which provides dispatch services for the Police Department, 3 volunteer fire departments, and the Lower Umpqua Hospital Ambulance services. Dispatch/Records staff also functions as front counter clerks, records clerks, assist with required jail monitoring and matron duties, and provide general after hour city service for the community building and other city activities. They are also an answering point for after hour city utility alarms

We have five active volunteers who serve the community doing a variety of jobs, jail monitoring, court bailiff, ordinance enforcement, security checks, fingerprints, public relations and many other valuable tasks.

**City of Reedsport**  
**Police Department**  
001-200

**FY 20-21 Year in Review**

At the time of this budget preparation, the Police Department has finally filled the two full time police officer positions and a part time dispatcher position. These positions have proven tough to fill for many reasons, but we are pleased with our recruitment process and look forward to the contributions they will bring to our professional services. Our current sworn staff has done an excellent job overcoming the obstacles of being short staffed, both dividing their time between patrol activities and jail duties. We are under a great deal of change with a four new police offices, two new communications officers in the past 2 years.

We have upgraded the dispatch and jail records management systems into an electronic database. This new systems is tracking required reports to state and federal mandatory requirements. It has freed up officers time from non-criminal reports, and enhanced our report times. Both the patrol and dispatch center has embraced this new system and made it a near seamless transition.

**FY 21-22 Budget Highlights and Challenges**

This fiscal year we will still be in a training mode for the department. With new employees and added COVID-19 protocols, our call volume has increased and public safety is still our number one goal. We will increased our efforts on the reduction of petty theft which is directly tied to illegal/ legal drug activity.

Traffic safety is always a concern and with the new road configurations and construction being completed we are looking forward to a reduction in the number of traffic related complaints.

We still have major vehicle issues with the older Crown Victoria fleet. We will need to replace at least two this coming budget. The newer Ford Explores have proven to be a great addition to the department and have added to the safety and professional presence to the department along with the reduction of constant costly repairs to the older vehicles.

**City of Reedsport**  
**Police Department**  
**001-200**

The vehicle awning project that has been discussed for several years now is still not started, we are now looking forward to the potential of the Seismic Upgrade grant to assist in the project. We will continue our efforts.

We are working on the firearm training range to enhance the safety and security of the facility. We hope to be able to bring water and electrical to the location this year. This will give us the ability to have a rest room, wash station and surveillance for the area. The NRA has visited our training facility and is making recommendations to assist us in our efforts to enhance safety.

The K9 training facility has received private donations but is still in need of funds to help complete the project. The facility will allow K9 officers to train in a secure location with enhanced training aids. The hosting of training classes will allow our K9 officers to receive more training time while minimizing overtime.

If we complete the range project, the K9 facility and the upgrade to the Police and Fire facility, our goal is to host as many trainings classes in Reedsport to help reduce overtime, minimize travel time and gain knowledge and experience for the department.

**City of Reedsport**  
**Special Police Operations**  
**001-205**

**PERSONNEL ASSIGNED TO THE FUND**

.75 FTE

Sworn Law Enforcement Officers ..... 0.75

**ORGANIZATION AND MISSION**

The Special Police Operations Fund provides (1) PTE School Resource Officer that provides services to the Reedsport School District #105 for the 9 month school year. The annual program exists through an intergovernmental agreement (IGA) between the City of Reedsport, Lower Umpqua Hospital and the Reedsport School District.

**FY 20-21 Year in Review**

This year the School Resource Officer has had to adapt to the ever changing guidelines due to Covid-19. The Resource Officer continues to be a presence in the schools along with assisting with off site visits and support.

**FY 21-22 Budget Highlights and Challenges**

The School Resource Officer program will begin its' sixth year of being in place, and we have seen rewards and positive outcomes from the program. Many crimes have been solved as a result of an officer being present daily on the both campuses. It seems that barriers have been broken and students are more willing to contact and speak with an officer that they are used to seeing around. Many cases have been initiated and handled because of the interactions between students and the officer. The assigned officer has become ingrained in the school and with staff, and a level of trust has been established.

**City of Reedsport**  
**Fire Department**  
**001-220**

**PERSONNEL ASSIGNED TO THE FUND**

Fire Chief ..... Contracted Service  
Administration Officer ..... Contracted Service

**Organization and Mission**

Mission statement: "The Reedsport Volunteer Fire Department is dedicated to the preservation of life, property, and the environment. We will provide prompt and professional services to our community and to all visitors. As a team, we will strive to minimize losses and suffering through fire suppression, rescue, training, fire prevention and public information".

The Fire Department operates out of two Fire Stations and is headed by a Volunteer Fire Chief, supported by two Assistant Chiefs, an Admonition Officer, five Captains and 25 Firefighters, all of whom are Volunteers. Firefighters attend weekly training and respond quickly to fire alarms in the City. The RVFD also responds to requests for mutual aid from surrounding fire districts and jurisdictions. The Fire Department also assists Lower Umpqua Ambulance and Reedsport Police Department in motor vehicle accidents on city streets as well as State and County Police agencies on State and Federal highways in surrounding areas of Scottsburg, Gardiner, and Winchester Bay.

**FY 20-21 Year in Review**

The number of fire calls continues to fluctuate over the last five years. The firefighters responded to 146 calls for year 2020. The total for 2019 was 160. The Department performed 34 drills and a total of 1,189 volunteer hours in 2020. We experienced a sharp decrease for call column, drills and training hours due to Covid-19 regulations. The average response time for calls within the City limits is approximately 3 ½ minutes. The stability in calls for service is directly attributed to the aggressive public education by our firefighters and their willingness to donate many hours of their time to pass along fire safety messages to the public.

**FY 21-22 Budget Highlights and Challenges**

Some future challenges include finding grant opportunities, fundraisers, and donations to fund the replacement of worn out equipment. We continue to aggressively recruit new firefighters, especially those who work in the City as the daytime availability of firefighters is low because a large number work outside the City.

**Organization and Mission**

The Building Inspection Department is committed to providing exceptional customer service through shared knowledge and expectations. It is their goal to provide prompt and accurate building permit plan review as well as professional and knowledgeable inspection services, while maintaining the highest quality and standards.

The City of Reedsport contracts with a building inspection company called Northwest Code Pros (formerly The Building Department, LLC). They provide inspection services for building, plumbing, mechanical and electrical work and are available twice a week for inspections.

The City provides this service in order to ensure applicable codes and City ordinances are followed. Construction activities include single and multi-family residential, commercial and industrial buildings, demolitions, home improvements, sign construction, plumbing, electrical, heating, ventilation, and air conditioning.

Building Inspection staff provide numerous technical inspections on a bi-weekly basis to our citizens. A typical construction project includes the following types of inspections: footing, foundation, fire-rated walls, framing, sheathing, plumbing rough-in and final, heating rough-in and final, fireplace rough-in and final, gas line air tests, insulation and building final. Other project inspections include: decks, porches, roofs, finished basements, siding, retaining walls, chimneys, garages.

The revenues generated through the permit process are shared between the Northwest Code Pros and the City. The City retains 25% of the permit fee for administrative services, such as accepting and processing applications, and any providing necessary correspondence. The remaining 75% is paid to Northwest Code Pros for plan reviews and ensuring compliance with the State Building Codes.

All permits are charged a state assessment fee of 12% of the permit total. This is a state fee and neither the City nor Building Department LLC receives any portion of this fee.

Building Inspection Department  
001-230

**FY 20-21 Year in Review**

Seven new home permits were issued again in the 20-21 FY. The trend of new homes is beginning to show a gradual increase each year. This is likely the result of the moratorium on System Development Charges (SDCs).

Overall, permit numbers continue to increase. A trend is still visible with mechanical permits, which are popular due to rebates and incentives provided by the State and the local electrical utility for heat pump installations. Commercial permits have also increased, which is a good indicator of improving economics and may be triggered by the Main Street's Façade Improvement Program.

**FY 21-22 Budget Highlights and Challenges**

It is likely that the trend for issuing new home permits will continue in the new fiscal year, as the Department staff has had multiple conversations with clients purchasing undeveloped residential lands in the spring of 2020 and as interest continues to be shown in the Master Heights Subdivision lots. The previous two years required budget adjustments to accommodate the additional permits issued and their related expenses. This year's budget reflects increased expenses, consistent with the trends of previous years.

Personnel changes occurred again, with the City Manager overseeing a Contracted Planner (1-2 day per week) and the Planning Secretary. Staff time includes permit intake/issuance, client relations, coordination with reviewing departments, monthly coordination with County Assessor and State Fire Marshal, data input, record retention and archiving, and monthly permit reconciliation.

Legislation passed that will require cities and counties to hire "in-house" building officials in the new fiscal year. Staff is still awaiting formal notification from the State and continues to consider how this position would be funded and sustained.

**Public Services Division**  
**001-410**

**PERSONNEL ASSIGNED TO THE FUND**  
**1.61 FTE**

Public Works Director .....	0.08
Maintenance Worker III.....	0.40
Mechanic III.....	0.31
Maintenance Worker.....	0.24
Custodian .....	0.58

**Organization and Mission**

The Public Services Division is staffed by several full-time employees (two maintenance and one custodian/park workers) who split their time between streets, parks, buildings, water, sewer, and stormwater. This division is funded by the General Fund. Further, the City mechanic and custodian General Fund hours are now accounted for in the Public Services Division. In prior budgets, these two positions were allocated in FTE percentages to various General Fund departmental units. Lastly, the aforementioned 4 City staff members maintain the following:

- A fleet of 55 vehicles, and several types of heavy equipment. (Police, Fire, Public Works, etc.)
- Approximately 30 acres of 6 City parks (which does not include multiple common areas)
- Approximately 19 miles of City streets
- 2 boat ramps

**FY 20-21 Year in Review**

- The Custodian/Park Maintenance staff performed trash, cleaning, and light maintenance at all City buildings as well as all parks. It also assists with maintenance projects as time allows.
- Ongoing mowing and maintenance of City landscape areas as well as City park sites.
- City street weed control and maintenance.
- The City Mechanic receives work orders ranging from simple to complex for the aging City fleet of vehicles.
- Multiple broken or faded signs have been replaced within the City.
- Staff and ODOT crews repainted multiple City streets, faded stop bars, lane dividers, and curbs.
- Continued levee mowing/maintenance and City dock maintenance.

**City of Reedsport**  
Public Services Division  
001-410

<b>FY 21-22 Budget Highlights and Challenges</b>
--

- The Custodian/Park Maintenance staff will continue to perform trash removal, cleaning, and light maintenance at all City buildings as well as all parks as well as assistance with maintenance projects if time allows.
- Staff will perform mowing and maintenance of City landscape areas as well as City park sites as well as City street weed control and maintenance.
- City Mechanic will continue to assess, repair, and resolve vehicle issues on the aging City fleet.
- A combination of City staff and contracted services will perform spot and roadway paving throughout the City.
- Continued evaluation/maintenance and support of all City-owned buildings.
- Signage repair/replacement and installations as required.
- Continued levee maintenance and City dock maintenance.
- Continued safety equipment and procedure evaluation and improvements for public works staff.
- Daily assessment of work orders for City buildings and right-of-ways.

# City of Reedsport

## Senior Center

001-440

### Organization and Mission

The Lower Umpqua Senior Center facility was completed in 1989. This was a collaborated effort between the City of Reedsport, Douglas County Housing Authority and Lower Umpqua Community Center, Inc. (LUCC, Inc. is a non-profit 501-C (3) organization). Douglas County Housing Authority owned the land the building was placed on. The City and the LUCC, Inc. raised funds to build the Center and pave the parking lot. LUCC, Inc. maintains all internal fixtures and appliances. The Senior Center is the hub of senior activity for our area with programs held daily, both scheduled and impromptu. The facility has a fully equipped commercial kitchen which Douglas County Health and Social Services uses to operate a senior meal program that serves hot meals both on-site and to homebound senior and disabled persons three days a week. The Administrative Assistant serves as the staff support for the Center and the Lower Umpqua Community Center Inc. (LUCC, Inc.) board including grant writing and coordinating equipment replacement. The City of Reedsport contributes general building maintenance personnel and minimal janitorial services to the facility along with utility expenses.

### FY 20-21 Year in Review

Lower Umpqua Community Center Inc. (LUCC, Inc.) continues to raise funds for Senior Center improvements. Improvements include such things as equipment repair and replacement, new projects, general expenditures, meal delivery van maintenance, kitchen supplies and maintenance of pool tables. Due to the pandemic and mandated closure of the center, funds raised from weekly bingo games were not viable. The Senior Center is focusing funding efforts on grant funds, fundraisers and donations to offset that deficit.

### FY 21-22 Budget Highlights and Challenges

Compared to the previous year, this fund will remain virtually unchanged. The City of Reedsport leases the Senior Center kitchen to Douglas County through the Health and Social Services Department and Compass USA for meal preparation. The City also receives funds from the rental of the facility on evenings and weekends. The City continues to provide essential services to the center and build reserves for large maintenance projects and equipment replacement in the future.

# City of Reedsport Streets Division Fund 002

## PERSONNEL ASSIGNED TO THE FUND

0.77 FTE

Public Works Director .....	0.10
Maintenance Worker III .....	0.15
Mechanic.....	0.22
Maintenance Worker.....	0.30

### Organization and Mission

The 2009 transportation package (HB2001) passed in 2009 provides a phased-in increase in revenues to cities from a six-cent increase in the state gas tax beginning January 1, 2011; and an increase in vehicle and registration fees; and weight-mile fees paid by truckers. This phase-in is reflected in the state estimates.

The Streets Division within the Public Works Department is staffed by two full-time employees who split their time between streets, parks, buildings, water, sewer, and storm drain. The Division is funded from the shared State Gas Tax and franchise fees. The gas tax is distributed to the cities by the state on a per capita basis.

### FY 20-21 Year in Review

- Ongoing Street sweeping and mowing, and weed control.
- Multiple asphalt patching and repairs throughout the City were done by city crews.
- The second half of Frontage Rd was paved by a contractor.
- The north end of Winchester Avenue was paved with funding coming from an SCA grant.
- Riverfront Way was chip sealed to preserve the life of the road.

### FY 21-22 Budget Highlights and Challenges

- Continue to develop and maintain a transportation system that enhances Reedsport's livability by creating a balanced, safe, and efficient transportation system, which is assessable to all members of the community.
- Performing ongoing Street sweeping and mowing, and weed control.
- Multiple asphalt patching and repairs throughout City.
- Pave the entrance and exit to Frontage road (22<sup>nd</sup> Street and Ranch Rd).
- Pave the second half of Winchester Avenue.
- Install multiple ADA curbs and sidewalk improvements along 22nd street and crosswalk areas.

**Organization and Mission**

The Water Utility Division of the Public Works Department is staffed by three full-time employees. The Division is funded by the monthly water user fees and operated as a business with user fees paying for the operation of the fund.

The Reedsport Water Utility provides quality domestic water to the City of Reedsport and the communities (unincorporated urban areas) of Winchester Bay and Gardiner. The water system meets all Federal and State water quality and treatment standards. The Utility provides excellent fire flow capabilities to enable residents and businesses alike to maintain a reasonable (low) fire insurance rating. Delivery of potable water exceeding all purity standards and a strong consistent firefighting water supply are the prime functions of this division. The fund provides for the operation and maintenance of the water disinfecting and distribution systems with four pump stations, four reservoirs, water disinfection facilities, and 30-plus miles of water transmission lines. Preventative maintenance is required for the treatment facilities, pump stations, and transmission lines. Ongoing service programs include, installation of meters and radio reading equipment, water activation and deactivation of service, location of service shutoffs, valve exercising, meter maintenance, and reading, and fire hydrant/water system flushing.

**FY 20-21 Year in Review**

- Performed yearly scheduled flushing of the water system and exercising of the water valves in Winchester Bay, Gardiner, and Reedsport.

**City of Reedsport**  
Water Utility Division Fund  
003

- Installation of fourth phase of MXU radio reading devices on metered services in Reedsport. It has been noted that the meter reading time needed by staff is taking less time and is more efficient due to the new meters and MXU devices.
- Water meter reading and support for monthly billing and usage issues.
- Multiple water systems shut off valve replacements throughout the City which will continue.
- Numerous water line breaks and repairs after hours were performed in Reedsport and Winchester Bay.
- A ground-penetrating radar system was purchased to increase efficiency.

<b>FY 21-22 Budget Highlights and Challenges</b>
--

- Multiple water system shut-off valve replacements throughout the City. This may also include pipe replacement.
- Installation of the fifth phase of MXU radio reading devices on metered services in Reedsport.
- New meter installations as requested.
- Ongoing repair of water line breaks as they occur.
- Hawthorne and 20<sup>th</sup> waterline replacement.

## Wastewater Utility Division Fund

### 004

#### PERSONNEL ASSIGNED TO THE FUND

4.77 FTE

Public Works Director .....	0.35
Wastewater Lead Worker .....	1.00
Wastewater Operator.....	1.00
Wastewater Worker .....	1.00
Maintenance Worker III.....	0.15
Maintenance Worker II.....	0.12
Mechanic III.....	0.22
Part-time wastewater worker .....	0.18
UB Clerk/Finance Assist .....	0.30
AP/AR/Payroll .....	0.25
Court Clerk/Planning Secretary .....	0.10
Finance Director.....	0.10

<b>Organization and Mission</b>
---------------------------------

The Wastewater Utility Division of the Public Works Department is staffed by three full-time employees and one part-time weekend worker. The Division is funded by the monthly wastewater user fees.

The Reedsport Wastewater Utility provides quality wastewater collection and treatment to the City of Reedsport and the community (unincorporated urban area) of Gardiner. The Fund provides for the operation and maintenance of the Wastewater Treatment Plant, 11 sanitary pump stations, and 24.5 miles of wastewater collection infrastructure. The treatment plant is under constant supervision to ensure that the effluent is kept within Oregon Department of Environmental Quality (DEQ) limits. Further, the pump stations receive routine preventative maintenance, as does the collection infrastructure. The Division has the equipment and staff to deal with the occasional wastewater blockage problems as well as line breaks.

The wastewater treatment plant upgrade was completed in 2010; it is currently meeting all regulatory requirements and is capable of accommodating the growth to the area based on calculated projections. The collection system improvements that were also required in the mutual agreement and order (MAO) have also been completed and have resulted in decreased flows and nearly eliminated sewer system overflows.

**City of Reedsport**  
Wastewater Utility Division Fund  
004

**FY 20-21 Year in Review**

- Cleaned 8 miles of sewer main lines.
- Hauled and land applied approximately 374,000 gallons of bio-solids.
- Performed video inspection and recording of 1.8 miles of sewer main lines.
- 723 lineal feet of sewer pipe and was relined.
- 9 manholes have been refurbished and re-grouted to eliminate infiltration of groundwater.
- Afterhours call-outs and contracted community assistance were rendered concerning sewer obstruction issues and investigation.
- City has been receiving revenue from Douglas County and Industrial Harbor as per leachate agreement.
- The debt to DEQ was paid off which will save the city \$450,000 in interest.

**FY 21-22 Budget Highlights and Challenges**

- Continued cleaning of sewer main lines.
- Continuing production and land application of bio-solids from the sewer plant.
- Continued video inspection and recording of sewer main lines.
- Relining of multiple compromised sewer line sections.
- Manhole inspection and refurbishment to eliminate infiltration of groundwater.
- Work at refurbishing pumps and pump motors.
- City crews will be working with a local engineer for the planning of the Forest Hills WW station replacement along with the 22<sup>nd</sup> street force main.
- City crews will be doing an extension of the Hawthorne Ave sewer line for the development of the 16<sup>th</sup> street apartment complex.
- A new HVAC system will be installed at the sewer plant in the load center building to ensure a constant temperature on the operating system.

**City of Reedsport**  
**Storm Drain Division Fund**  
**005**

**PERSONNEL ASSIGNED TO THE FUND**

.32 FTE

Public Works Director .....	0.10
Maintenance Worker.....	0.20
Mechanic III.....	0.02

**Organization and Mission**

The Storm Drain Division within the Public Works Department is staffed by two full-time employees who split their time between Streets, Parks, Buildings, Water, Sewer, and Storm Drain. The Storm Water Utility Fund is a special revenue fund, operated in a business-like manner, to provide for the operation and maintenance of the Storm Water Utility.

In 2002, a \$3.00 per residence monthly stormwater fee was established to help offset the cost of maintaining stormwater infrastructure. Commercial property pays a fee based on an impermeable surface area of the property.

**FY 20-21 Year in Review**

Certain items are performed on a regular schedule, but most stormwater drain management, maintenance, and repairs are by problem response due to a lack of sufficient funds.

Annual revenue generated by the storm drain fee is approximately \$72,000.

- 7<sup>th</sup> and 12<sup>th</sup> street pump stations were upgraded to two new pumps, new outfalls, and new SCADA systems via a FEMA grant.
- Downtown storm drain lines cleaned and catch basins cleared of debris to facilitate winter runoff and heavy rains.
- Stormwater pump stations inspected weekly and equipment maintained.

**FY 21-22 Budget Highlights and Challenges**

- Continue to monitor downtown storm drain lines cleaned and catch basins cleared of debris to facilitate winter runoff and heavy rain.
- Install new catch basins and new line sections to correct standing water and deteriorated curb gutters.
- Stormwater pump stations inspected weekly and equipment maintained.
- Installation of a new pump at Elm street pump stations.

**City of Reedsport**  
**Bicycle and Foot Path Fund**  
**007**

**Organization and Mission**

One percent of the State Gasoline Tax is allocated to cities and is dedicated, by Oregon Statute, for bicycle and footpath capital improvements. This fund was created to identify and accumulate gasoline tax allocations to the City of Reedsport and to provide for appropriate expenditures for bicycle and footpath capital improvements. The money accumulated in this fund is designated to be used as matching funds for bicycle and pedestrian grants.

**FY 20-21 Year in Review**

No activity was noted during fiscal year 2020-21; however, the City continues to plan for the Deans To Dunes Trail, which may require future funds from this budget.

**FY 21-22 Budget Highlights and Challenges**

The fund will continue to collect funds for future projects, such as the Deans to Dunes Trail & the Levee Loop Trail.

**BICYCLE/FOOTPATH FUND  
007-507**

**City of Reedsport**  
Wastewater DEQ Loan Debt Fund  
012

**Organization and Mission**

The City of Reedsport received a \$12 million dollar loan from the Department of Environmental Quality (DEQ ) to complete the wastewater treatment plant upgrades and collection projects. The wastewater treatment plant was in operation in June 2010 and the first interest payment was paid in June 2011. The terms of the DEQ loan are \$12 million at 3.06% plus 0.5% administrative fee for 20 years.

**FY 21-22 Budget Highlights and Challenges**

The debt payments for this fund has moved to Fund 004.

**City of Reedsport**  
**Fire Equipment Fund**  
**014**

**DESCRIPTION**

This fund was established to accumulate funds for the purchase of replacement fire equipment.

The Fire Department provides extrication, traffic control and first aid response for motor vehicle accidents (MVA) within a radius of 15 miles of the City boundaries. All revenue received from the MVA's are accumulated in this fund to contribute to the replacement purchase of fire apparatus and miscellaneous equipment. The Fire Department realizes additional revenue from fire protection contracts with a few businesses and residences in unprotected areas outside of the City.

**FY 20-21 Year in Review**

Volunteer firefighters have been accepting donations of refundable bottles and cans from the public. Money raised is used exclusively to purchase and replace worn out equipment. This ongoing project is very successful.

We received money from an Oregon Emergency Management grant to purchase 21 tables for use at Station 2, (Western Douglas County Emergency Operations Center).

A state of the art camera surveillance system was installed at Station 2 to protect fire equipment from theft.

New NFPA regulations pertaining to the proper washing of personal protective equipment, prompted the FD to purchase a commercial style washer and drying system for Station 2 that will properly decontaminate our turnouts and equipment.

**FY 21-22 Budget Highlights and Challenges**

A \$15,000 transfer from the General Fund for future fire vehicle replacement is budgeted again in FY 2021-2022. Our main challenge is the increasing cost of equipment and personal protective equipment due to increasing standards and regulations mandated by OR-OSHA and NFPA. To meet this challenge we continue to apply for grants, accept donations and with our volunteer firefighters fundraising efforts we strive to meet this budgetary shortfall.

Custodian .....	0.35

**Organization and Mission**

This fund accounts for the lease of City buildings and property to the U.S. Forest Service for the Oregon Dunes National Recreation Area (ODNRA) headquarters. The City has a lease with the U.S. Forest Service for their use of the facilities. The lease requires the City to provide cleaning and maintenance of the facilities. A loan on the building and property was satisfied in September 2004.

**FY 20-21 Year in Review**

The original lease with the Forest Service expired in August 2009, but was renewed with a new term extended to August 2017. An original temporary extension was approved through October 2018; however, due to the length of time the design has taken for the facility, a second extension was granted through Fall of 2020 while City Staff, GSA, and the new consultant, ZCS Engineering/Architecture, proceeded with the required seismic upgrade design, bidding and financial discussions. All aspects of the project's design were permitted in late 2018 and the project was publicly bid in January, 2019. Construction was completed during this fiscal year and a new 10 year lease contract has been signed.

**FY 21-22 Budget Highlights and Challenges**

With the completion of the remodel of the Dunes NRA Building, repayment of the construction loan was included in the budget. The funding was an internal interfund loan from the wastewater fund for \$1,000,000 and water fund for \$500,000. ORS requires it to be repaid in ten years. The Reedsport City Council approved an interest rate of 2%. The loan repayment is listed in the interfund transfer category of the budget. The monthly lease rate has increased to offset the loan debt.

**PERSONNEL ASSIGNED TO THE FUND**  
**1.0 FTE**

Director ..... 1.00  
Part-time clerk ..... contracted service

**Organization and Mission**

This fund was created for the purpose of accounting for the Umpqua Riverfront Revitalization Project. Specifically, this is the operating account for the Umpqua Discovery Center (UDC), an interpretive center designed to educate visitors about the natural / cultural history of the Lower Umpqua Area.

The Center was built as part of an economic diversification thrust of the City of Reedsport to promote the river and forest cultural and environmental resources of the area through exhibitory, educational programming, and dissemination of informational material about the local area. The City made the commitment to provide the facilities and the maintenance of the building. The City also made a commitment to the granting agencies for continued support of the Center.

The Umpqua Discovery Center is a 7,225 square foot facility consisting of two exhibit wings, a common entry area for both wings, a 50 seat theater / meeting / conference room, a bookstore / gift shop, rear exits onto a boardwalk area with interpretive signs, and a 20 foot observation tower on top of the building.

The Center has one paid employee. A volunteer group provides staffing for the Discovery Center gift shop, help with group tours, and special programs / activities.

The Center brings in visitors to the area from all over the world. In addition, schools from around the state take advantage of the wonderful exhibits and programs.

**FY 20-21 Year in Review**

- Due to pandemic, Center was mandated to close for 7 months in 2020
- Several grants received to assist with operations due to reduced revenue from closures
- When allowed to open followed strict Covid Guidelines, reduced hours and limited capacity.
- On-Line Gift Shop upgraded

**City of Reedsport**  
Riverfront Fund  
017

**FY 21-22 Budget Highlights and Challenges**

- As more people are vaccinated, we anticipate many of the mandated restrictions due to the pandemic to be reduced. We will look ahead to increasing visitors, school tours, hours of operations, and our volunteer base.
- Raise funds for Tsalila Education Days, school Tours and Summer Concerts.
- Marketing.

**City of Reedsport**  
**Water System Development Fund**  
**020**

**Organization and Mission**

The Reedsport Municipal Code §3.20 provides for a charge paid by any developer for any connection required to be made to the City water system. The establishment of system development fees is regulated by ORS 223.297 to 223.314 and Senate Bill 939. System Development Charges (SDC) are established through an engineering report which sets out the approved methodology. Dyer Partnership completed a new systems development study for the water in October 2006 which set the charge at \$4,330.00.

Systems development fees consist of two elements: reimbursement fees and improvement fees. Reimbursement fees may be spent only on capital improvements associated with the systems for which the fees are assessed including expenditures relating to repayment of indebtedness. Improvement fees may be spent only on capacity increasing capital improvements.

**FY 20-21 Year in Review**

No water system development fees were received in the 2020-21 fiscal year. The Council placed a moratorium on SDC fees for the calendar year of 2012 and extended it through December 2021.

**FY 21-22 Budget Highlights and Challenges**

The Council will review the moratorium placed on SDC fees in July 2021 and consider the continuation of the moratorium or revoke the action for the FY 2021-22.

**City of Reedsport**  
Wastewater System Development Fund  
021

**Organization and Mission**

The Reedsport Municipal Code §3.20 provides for a charge paid by any developer for any connection required to be made to the City water system. The establishment of system development fees is regulated by ORS 223.297 to 223.314 and Senate Bill 939. System Development Charges (SDC) are established through an engineering report which sets out the approved methodology. Dyer Partnership completed a new systems development study for the wastewater in 2004, which established the maximum allowable SDC at \$4,031.00 per EDU. The Council chose to set the rate at \$4,000. Systems development fees consist of two elements - reimbursement fees and improvement fees. Reimbursement fees may be spent only on capital improvements associated with the systems for which the fees are assessed including expenditures relating to repayment of indebtedness. Improvement fees may be spent only on capacity increasing capital improvements.

**FY 20-21 Year in Review**

The Council placed a moratorium on SDC fees, not to include public projects for the calendar year of 2012 and extended it through December 2021.

**FY 21-22 Budget Highlights and Challenges**

The Council will review the moratorium placed on SDC fees in July 2021 and consider the continuation of the moratorium or revoke the action for the FY 2021-22.

**City of Reedsport**  
Stormwater System Development Fund  
022

**Organization and Mission**

The Reedsport Municipal Code §3.20 provides for a charge, paid by any developer, for any connection required to be made to the City water system. The establishment of system development fees is regulated by ORS 223.297 to 223.314 and Senate Bill 939. System Development Charges (SDC) are established through an engineering report which sets out the approved methodology. Dyer Partnership completed a new systems development study for the storm water in October 2006 which set the charge at \$878.00.

Systems development fees consist of two elements-reimbursement fees and improvement fees. Reimbursement fees may be spent only on capital improvements associated with the systems for which the fees are assessed including expenditures relating to repayment of indebtedness. Improvement fees may be spent only on capacity increasing capital improvements.

**FY 20-21 Year in Review**

No water system development fees were received in the 2020-2021 fiscal year. The Council placed a moratorium on SDC fees for the calendar year of 2012 and extended it through December 2021.

**FY 21-22 Budget Highlights and Challenges**

The Council will review the moratorium placed on SDC fees in July 2021 and consider the continuation of the moratorium or revoke the action for the FY 2021-22.

**City of Reedsport**  
General Capital Improvement Fund  
025

**Organization and Mission**

The purpose of this fund is to allow for accumulation, and expenditure of funds for all capital improvements and capital equipment, with the exceptions of the utility departments.

In December 2004, the City Council passed Resolution 2004-013 designating how windfall funds shall be used. It states that 50% of windfall funds may be used for current capital projects and 50% must be put into reserves in General Capital Improvement Fund 025 for future capital needs.

**FY 20-21 Year in Review.**

- A transfer of \$15,000 was made to Fund 037 Police Capital Improvement for capital projects specific to the Police Department.
- A new audio video system was installed in the Council Chambers.
- We utilized \$12,000 to assist the Fire Department in the acquisition of a used Fire Truck.

**FY 21-22 Budget Highlights and Challenges**

- \$60,000 has been budgeted for the resurfacing of the City Hall/Police Station joint parking lot. The parking lot has had need of resurfacing for several years, but a new storm drain pipe must be installed prior to the resurfacing project.
- There are a number of building improvements needing to be accomplished when funds are available. The City has an ongoing challenge to maintain its buildings and equipment in addition to meeting the needs of daily operations and maintenance of City Hall, Police Department, Fire Department and Parks.
- We have applied for a \$2,500,000 seismic retrofit grant project for the police station and the fire station.

**GENERAL CAPITAL IMPROVEMENT FUND

# City of Reedsport

## Dial A Ride

### 034

#### Organization and Mission

Dial a Ride was established in fiscal year 2008/2009. The Dial a Ride program was transferred to the City from Douglas County due to budget cuts at the County level that required the County to subcontract the transportation department that administered this service. Due to the proximity of the City of Reedsport from the County seat, it was not feasible for a sub-contractor to provide a program in this area. The City of Reedsport agreed to take on the administration of this program as long as funds are available in the County budget for reimbursement of expenses. These funds are a pass through from Oregon Department of Transportation Special Transportation Funds. In July of 2019, the Transportation Board was formed. The board members are elected by the citizens of Douglas County. The board oversees all transportation programs in Douglas County to include Reedsport Dial-A-Ride services. The Reedsport Police Department Administrative Assistant oversees this program.

#### FY 20-21 Year in Review

We are at full staff and use both volunteer and paid drivers for our program. In 2021-2022, we continued recruitment of on-call drivers for the program.

#### FY 21-22 Budget Highlights and Challenges

The City of Reedsport continues to provide vital transportation to senior and disabled persons in our local area. The budget is fully funded by outside sources. The program continues to pay the provider a reimbursement sum each quarter. Outside grants were secured for the expanding of the program through 2021-23 biennium. We will continue to work on citizen awareness of the program. Previous to COVID rider's numbers continued to increase often reaching daily capacity. Centralized dispatch continues to be utilized through the Umpqua Transit District. We have several trips that go outside of Reedsport to Roseburg, Florence and Coos Bay/North Bend. We will continue in 2021-2022 to partner with the hospital and doctor offices to provide this vital service to the senior and disabled population. With the changes in the overall program in the coming year we anticipate growth to the program by providing more rides to services in our neighboring communities (Roseburg, Florence and Coos Bay/North Bend) utilizing paid and volunteer drivers. Increasing availability will provide crucially needed transportation to our riders. The above plan is contingent on COVID rules to allow the program as it once did with anticipated improvement and growth.

# City of Reedsport Animal Shelter 035

## Organization and Mission

The Animal Shelter is a small facility owned by the City of Reedsport; it is located on West Railroad Street, next door to the water treatment facility. The facility and its services are ran and maintained by the Reedsport Police Department and volunteers. The Reedsport Public Works Department assists in facility maintenance. A volunteer coordinator works under the supervision of the Chief of Police and assists in volunteer coordination and work assignments for the remainder of the volunteer base which currently stands at eight.

The Animal Shelter provides animal control services to the citizens of Reedsport and Western Douglas County. The building originally contained 4 dog kennels, and then later additional dog runs were added to the current capacity to hold 12 dogs.

The shelter's mission is to provide a safe environment to house lost, abandoned, or quarantined dogs until an owner can be found, the dog is adopted out, or the quarantine requirements have been met.

The shelter runs primarily on donated funds, but it also receives limited revenue from Douglas County and the Municipal Court by way of fines, license fees, and impound fees.

## FY 20-21 Year in Review

The shelter continues to be run and staffed with volunteers under the guidance of the Police Department. We continued to make small improvements with the building and added a new storage area for food and supplies. This allowed the older building to be used as a dedicated office space so paperwork can be done at the location and minimized at the police station.

We added an additional area for dogs to be outside. The Security camera system is working with the addition of the Wi-Fi.

The shelter continues to service a large number of dogs as with previous years, the shelter continues to receive very generous donations that help offset operating costs and many are specifically made for veterinary services, sometimes the donations are made directly to the veterinarian.

**City of Reedsport**  
Animal Shelter  
035

**FY 21-22 Budget Highlights and Challenges**

We will need to replace the South wall which is dry rotten, and some minor electrical work is needed for the shelter heaters.

In order to house the Police K9 during times of vacation and during training a new extension to the shelter was added, but no services (electrical and water) have been installed yet.

**City of Reedsport**  
**Library Building Fund**  
**036**

**PERSONNEL ASSIGNED TO THE FUND**  
**.07 FTE**

Custodian ..... 0.07

**Organization and Mission**

The Library Building Fund was established to account for expenditures associated specifically with the library building. Douglas County provides library services to the City of Reedsport and the surrounding area in the form of staff, technology, and library materials. By intergovernmental agreement, the City provides and maintains the library building.

**FY 20-21 Year in Review**

The Lower Umpqua Library District is a newly formed District and no longer part of the City budget. However, we opened the fund back up to appropriately track the custodial time and supplies which is reimbursed by the Lower Umpqua Library District.

**FY 21-22 Budget Highlights and Challenges**

This fund was opened back up in fiscal year 20-21 in order to better track the billing of the custodial services along with the janitorial supplies. This will also enable the City to track those reimbursement payments.

# City of Reedsport

## Police Capital

### 037

#### Organization and Mission

The Police Capital Fund is established to receive and expend proceeds derived from the Police Jail. Other governmental agencies have been able to house their prisoners at the Reedsport jail facility on both a contractual basis and a pay as you stay type basis. Additionally, individuals sentenced to serve time for other than the Reedsport Municipal Court are able to pay to serve their time in this facility.

Funds received are then utilized to support, maintain and improve the operations of the police department and the jail.

#### FY 20-21 Year in Review

Fund 037 is primarily comprised of money received for jail bed rents (Coos Bay contract), funds for specific capital improvement items, and funds for police vehicle replacement.

This Fiscal year we were able to finalize the purchase a new Jail Management System (JMS) that is integrated with Computer Aided Dispatch system (CAD) and the finger print scanner. This is a giant step forward for our department and has been a huge impact on our day to day operations in a positive way.

We have replaced all handheld patrol radios and a number of patrol car radios. We used funds from 037 to supplement the radio replacement project.

We have ordered the second patrol car.

We have acquired a small school bus to be used for the inmate work crew program. The bus will allow us to move the inmates and tools needed to complete projects within the city.

#### FY 21-22 Budget Highlights and Challenges

This upcoming FY we will replace one more patrol car.

It should be noted that account 037 is not a replacement of general funds money that must be used to support, replace or provide for items of safety that reduce liability risks to the city and / or provide for personal that can only be supported by allocation of money from the general fund.

**City of Reedsport**  
**CERT Fund**  
**038**

**Organization and Mission**

The Community Emergency Response Team (CERT) Fund has been organized within the local area to support the local residents in emergency situations.

The CERT Fund is established to receive and expend proceeds derived from donations and grants for the non-profit organization. Funds received purchase supplies and items.

CERT educates volunteers about disaster preparedness for the hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations

**FY 20-21 Year in Review**

This fund was created in and for the Fiscal Year 2019-20. It is used as a pass-through account. Expenditures are made when revenues have been received to aid in a variety of emergency situations. There were several trainings held along with a celebratory BBQ for members completing the class.

**FY 21-22 Budget Highlights and Challenges**

For FY 21-22 we will continue to hold trainings to educate the community on Emergency Preparedness. The biggest challenges are receiving donations to sustain the program.

**REEDSPORT URBAN  
RENEWAL AGENCY**

**ADOPTED BUDGET FOR FISCAL  
YEAR 2021-22**

# REEDSPORT URBAN RENEWAL AGENCY

## Fund 150

### Organization and Mission

This Urban Renewal District was established by Ordinance 2007-1074, July 4, 2007 as authorized by ORS. 457 for the purpose of undertaking redevelopment activities within the District. The Reedsport Urban Renewal District is established for a 20 year period which will expire in 2027. The Urban Renewal Agency was created improve areas within the urban renewal district.

The City Council serves as the Urban Renewal Agency governing body and has appointed an Urban Renewal Advisory Committee. The Advisory Committee reviews the staff proposed budget and formally votes for recommendation of the budget to the budget committee.

### FY 20-21 Year in Review

- The Reedsport Urban Renewal Agency bid farewell to RARE Intern and the duties of the intern were placed with the Executive Assistant and Main Street Board members. The program continued to make \$7,420 yearly debt payment toward East Railroad property.
- A land purchase for the property known as Myrtle Grove Park was facilitated with the goal of developing the parcel into a pocket park featuring the vintage steam donkey.

### FY 21-22 Budget Highlights and Challenges

- Property tax collection is estimated to increase next fiscal year.
- The balance of the debt payment of the East Railroad Storm Drain pump station property will be made in this fiscal year.
- Professional and Technical Services were allocated to facilitate a portion the contract Planner. This Planner will look into an extension or new Urban Renewal District.

**CITY OF REEDSPORT**  
Reedsport Urban Renewal Agency  
Main Street  
Fund 151

**Organization and Mission**

This Urban Renewal District was established by Ordinance 2007-1074, July 4, 2007 as authorized by ORS. 457 for the purpose of undertaking redevelopment activities within the District. The Reedsport Urban Renewal District is established for a 20 year period which will expire in 2027. The Urban Renewal Agency was created to improve areas within the urban renewal district.

The City Council serves as the Urban Renewal Agency governing body and has appointed an Urban Renewal Advisory Committee. The Advisory Committee reviews the staff proposed budget and formally votes for recommendation of the budget to the budget committee.

The purpose of the Urban Renewal Main Street Fund is the undertaking of the Reedsport Urban Renewal Agency to provide the umbrella agency for the Main Street Program. The Main Street mission is to cultivate a more active, vibrant and sustainable downtown. The Main Street approach is focused on four basic areas: marketing and promotion, downtown enhancement, design and preservation, and business recruitment. The program is tasked with sustaining the program through responsible use of Urban Renewal funds, support from partner agencies and through grant writing.

**FY 20-21 Year in Review**

- The Reedsport Main Street Program received the Oregon Main Street Revitalization Grant to repair four roofs and two awnings on five buildings in Old Town Reedsport. The grant amount was for more than \$165,000. Five of the six projects have been completed.
- The program has been accumulating funds for the Business Improvement Grant program in order to provide for larger renovation grants. Applications are now received year-round and evaluated on a quarterly basis to allow greater outreach and benefit to the community businesses.
- The program received a grant to purchase and install a kayak launch at the Bumblebee Boat Launch to emphasize a space for non-motorized recreation.

**FY 21-22 Budget Highlights and Challenges**

The program bid farewell to the RARE Intern coordinating the program the last two years. A volunteer Main Street Board has taken on many new roles in an effort manage the

program. The Executive Assistant is the liaison for the program to facilitate several areas of the program and assist the board members.

The program will continue to support businesses within the district, facilitate grant funding and is looking forward to new holiday banners for the uptown area as well as new holiday decorations in conjunction with the holiday tree lighting each year.

2021-2022 FISCAL YEAR BUDGET  
**CAPITAL IMPROVEMENT PROGRAM**  
**CIP FISCAL YEARS 2022-2026**

**PROJECT DETAILS**

<b>Project Title:</b> City Buildings Energy Upgrade	<b>Fund(s) Impacted:</b> 001/025
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2022
<b>Project Duration:</b> 3-6 months	<b>Project Priority:</b> 3
<b>CIP Listing Number:</b> 01-001	<b>Project Financing Rating:</b> C

**METHOD OF FINANCING**

Estimated Project Cost: \$25,000  
 This project will be funded using General Fund capital funds. City staff will seek energy rebates to offset the cost of upgrades.

**PROJECT DESCRIPTION**

1. Upgrade lighting to energy efficient fixtures in City Hall, Police Station, and Fire Hall.
2. Replace thermostat in Council Chambers with occupancy sensor.
3. Replace electric furnace in Police Station with heat pump.
4. Install motion sensors for lighting systems in offices, workrooms, and common areas of all City Buildings.

**NEED/JUSTIFICATION**

These projects will have a return on investment of ten years or less through costs savings on energy bills.

**FINANCIAL IMPACT NARRATIVE**

These projects will have a return on investment of ten years or less through costs savings on energy bills.

**PROJECT COST BY FISCAL YEAR**

2021-2022	2022-2023	2023-2024	2024-2025	2025-2026	Total

**PROJECT DETAILS**

<b>Project Title:</b> Replace Council Chambers Attic Stairs	<b>Fund(s) Impacted:</b> 001
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2022
<b>Project Duration:</b> 1-3 months	<b>Project Priority:</b> 2
<b>CIP Listing Number:</b> 01-003	<b>Project Financing Rating:</b> D

**METHOD OF FINANCING**

Estimated Project Cost: \$5,000  
 This project will be funded using General Fund capital funds.

**PROJECT DESCRIPTION**

Replace folding stairs the access the attic in the storage room.

**NEED/JUSTIFICATION**

The existing stairs may be unsafe and should be rated for 200 pound weight.

**FINANCIAL IMPACT NARRATIVE**

This project would be funded through General Fund capital funds. No grants or reimbursements are available, based on staff research.

**PROJECT COST BY FISCAL YEAR**

2021-2022	2022-2023	2023-2024	2024-2025	2025-2026	Total

**PROJECT DETAILS**

<b>Project Title:</b> Pave City Hall/Police Parking Lot	<b>Fund(s) Impacted:</b> 001
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2022
<b>Project Duration:</b> 1-3 months	<b>Project Priority:</b> 4
<b>CIP Listing Number:</b> 01-004	<b>Project Financing Rating:</b> C

**METHOD OF FINANCING**

Estimated Project Cost: \$60,000

This project will be funded using General Fund capital funds. Staff will seek granting opportunities, as well.

**PROJECT DESCRIPTION**

Overlay shared parking lot between City Hall and the Police Station.

**NEED/JUSTIFICATION**

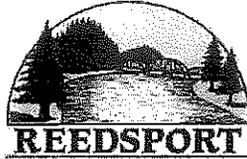

The parking lot located between City Hall and the Police Stations has many rough and uneven areas. The parking lot experiences severe flooding issues, in areas, during heavy rainfall. Catch basins need to be replaced and an overlay would improve the usability of the parking lot.

**FINANCIAL IMPACT NARRATIVE**

This project would be funded through General Fund capital funds and offset with granting opportunities, if available.

**PROJECT COST BY FISCAL YEAR**

2021-2022	2022-2023	2023-2024	2024-2025	2025-2026	Total

**PROJECT DETAILS**

<b>Project Title:</b> Jail Cell Door Replacement	<b>Fund(s) Impacted:</b> 001
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2024
<b>Project Duration:</b> 1-3 months	<b>Project Priority:</b> 3
<b>CIP Listing Number:</b> 01-005	<b>Project Financing Rating:</b> C

**METHOD OF FINANCING**

Estimated Project Cost: \$30,000  
 This project will be funded using General Fund capital funds.

**PROJECT DESCRIPTION**

Install new jail cell doors.

**NEED/JUSTIFICATION**

The Reedsport Municipal Jail is using cell configuration and doors that were eliminated in most jails in the early 1980s. The jail doors are bars which allow inmates the ability to throw fecal matter or other body fluids at department employees. This creates a high risk, low frequency of exposing department personnel to blood borne pathogens and disease. The jail bars and heavy metal construction of towel hangers presents a high risk, low frequency of in-custody deaths related to hanging suicide.

**FINANCIAL IMPACT NARRATIVE**

This project would be funded through General Fund capital funds and offset with granting opportunities, if available.

**PROJECT COST BY FISCAL YEAR**

2021-2022	2022-2023	2023-2024	2024-2025	2025-2026	Total

<b>Project Title:</b> Relocate City Hall, Police Dept., & Downtown Fire Hall	<b>Fund(s) Impacted:</b> 001
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2026
<b>Project Duration:</b> 18-36 months	<b>Project Priority:</b> 3
<b>CIP Listing Number:</b> 01-006	<b>Project Financing Rating:</b> D

**METHOD OF FINANCING**

Estimated Project Cost: \$2,000,000  
 This project will be funded using capital funds of multiple Departments, as well as, grants.

**PROJECT DESCRIPTION**

Relocate City Hall & the Police Department out of the Tsunami Inundation Zone.

**NEED/JUSTIFICATION**

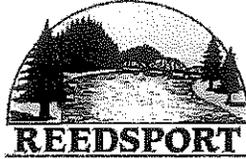

Due to City Hal, the Police Department (including the jail facility), and the Downtown Fire Hall being critical facilities located within the Tsunami zone, it has been recognized in the City's Natural Hazard Mitigation Plan as an action item to relocate these facilities to higher ground and outside the hazard area.

**FINANCIAL IMPACT NARRATIVE**

This project would be funded through capital funds of multiple departments, paired with hazard mitigation grants.

**PROJECT COST BY FISCAL YEAR**

<b>Project Title:</b> Install Police Department Awning	<b>Fund(s) Impacted:</b> 037
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2022
<b>Project Duration:</b> 3-6 months	<b>Project Priority:</b> 2
<b>CIP Listing Number:</b> 01-007	<b>Project Financing Rating:</b> B

**METHOD OF FINANCING**

Estimated Project Cost: \$32,000  
 This project will be funded using Police Department capital funds.

**PROJECT DESCRIPTION**

Install awning on west side of Police Department.

**NEED/JUSTIFICATION**

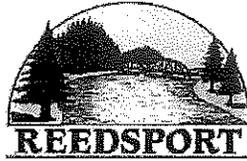

The awning addition would provide a number of benefits, including protection of the new police vehicles from the harsh elements of the Oregon Coast. The cover would aid in maintaining the integrity of evidence and equipment being loaded or unloaded from police units. The police unit is essentially an officer's office and many pieces of important equipment are transferred back and forth from them. Additionally, evidence is often unloaded from police cars into the building and it is difficult to keep out of the elements. Another component is the loading and unloading of prisoners into and out of the jail facility, creating conditions better suited for comfort and safety.

**FINANCIAL IMPACT NARRATIVE**

This project would be funded through Police Department capital funds. These funds are primarily sourced from Coos County jail bed rent revenues.

**PROJECT COST BY FISCAL YEAR**

<b>Project Duration:</b> 1-3 months	<b>Project Priority:</b> 3
<b>CIP Listing Number:</b> 01-008	<b>Project Financing Rating:</b> A

**METHOD OF FINANCING**

Estimated Project Cost: \$5,000  
 This project will be funded using Umpqua Discovery Center capital funds.

**PROJECT DESCRIPTION**

Replace flooring in the Umpqua Discovery Center women's restroom.

**NEED/JUSTIFICATION**

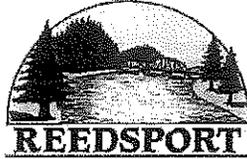

The original flooring from 1993 is beginning to show signs of wear and tear. As a public building and being a major tourist attraction, the building needs to be kept in good repair.

**FINANCIAL IMPACT NARRATIVE**

The Umpqua Discovery Center has been saving for this repair. Umpqua Discovery Center capital funds will be impacted by this upgrade.

**PROJECT COST BY FISCAL YEAR**

<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2024
<b>Project Duration:</b> 1-3 months	<b>Project Priority:</b> 3
<b>CIP Listing Number:</b> 01-010	<b>Project Financing Rating:</b> A

**METHOD OF FINANCING**

Estimated Project Cost: \$5,000  
 This project will be funded using Umpqua Discovery Center capital funds.

**PROJECT DESCRIPTION**

Repaint exterior siding of the Umpqua Discovery Center.

**NEED/JUSTIFICATION**

The Umpqua Discovery Center was last painted in 2010. To ensure preservation fo the building stave off further rotting of the exterior siding, it should be painted within the next 5 years.

**FINANCIAL IMPACT NARRATIVE**

The Umpqua Discovery Center has been saving for this repair. Umpqua Discovery Center capital funds will be impacted by this upgrade.

<b>Project Title:</b> Fire Department Addition (4th Street)	<b>Fund(s) Impacted:</b> 001
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2023
<b>Project Duration:</b> 6-9 months	<b>Project Priority:</b> 2
<b>CIP Listing Number:</b> 01-011	<b>Project Financing Rating:</b> D

**METHOD OF FINANCING**

Estimated Project Cost: \$150,000  
 This project will be funded using General Fund capital funds. Staff will also seek grant opportunities to support this project.

**PROJECT DESCRIPTION**

Add on to the 4th Street side of the Downtown Fire Hall for the purpose of housing the Department's newest Fire Truck.

**NEED/JUSTIFICATION**

The original flooring from 1993 is beginning to show signs of wear and tear. As a public building and being a major tourist attraction, the building needs to be kept in good repair.

**FINANCIAL IMPACT NARRATIVE**

The cost of this project will impact the General Fund capital funds budget. Any grants received for this purpose will offset the cost.

<b>Project Title:</b> Rebuild Fire Department Bay Doors	<b>Fund(s) Impacted:</b> 001
<b>Project Type:</b> Facilities	<b>Budget Period:</b> 2023
<b>Project Duration:</b> 1-3 months	<b>Project Priority:</b> 3
<b>CIP Listing Number:</b> 01-012	<b>Project Financing Rating:</b> D

**METHOD OF FINANCING**

Estimated Project Cost: \$40,000  
 This project will be funded using General Fund capital funds. Staff will also seek grant opportunities to support this project.

**PROJECT DESCRIPTION**

Reconfigure the 3 bay doors at the Downtown Fire Hall into 2 wider doors.

**NEED/JUSTIFICATION**

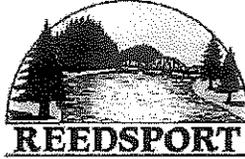

The three bay doors are too narrow for the fire trucks to safely enter or emerge. The three doors need to be remodeled into two bay doors.

**FINANCIAL IMPACT NARRATIVE**

The cost of this project will impact the General Fund capital funds budget. Any grants received for this purpose will offset the cost.

**METHOD OF FINANCING**

Estimated Project Cost: \$100,000

**PROJECT DESCRIPTION**

Riverfront Acquisition

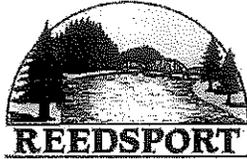

**NEED/JUSTIFICATION**

As the city looks to continue with the enhancement and development of the waterfront area as a means to attract people to the area, there is an identified need for more parking at the City's old boat launch. This facility is served with on street parking only; however, there is a gravel lot that is adjacent to the launch that could serve as an off street parking area. The owner of the property has indicated that he would be interested in a sale to the City.

Project Duration:	Project Priority:
CIP Listing Number: 1-36	Project Financing Rating: C

**METHOD OF FINANCING**

Estimated Project Cost: \$140,000

**PROJECT DESCRIPTION**

Arthur Drive Paving

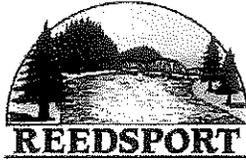

**NEED/JUSTIFICATION**

Arthur Drive from 22nd Street to Longwood Drive is approximately 1,661 feet in length. Due to sidewalk curb height, a simple asphalt overlay cannot be performed or the sidewalk curbs will be too shallow which would then cause stormwater to overflow and possibly cause flooding into private property. Further, manholes, catch basins and water valves would need to be raised to accommodate the new height, and could be quite costly. To avoid these complications and continue to properly maintain the City infrastructure, drainageways and private property, the existing asphalt will need to be ground down 2 to 3

<b>CIP Listing Number:</b> 1-38	<b>Project Financing Rating:</b> A

**METHOD OF FINANCING**

Estimated Project Cost: \$5,000

**PROJECT DESCRIPTION**

Rock wall nets for West Road

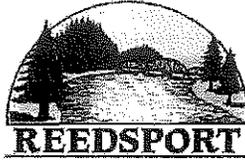

**NEED/JUSTIFICATION**

Reedsport West Road continues to have small to medium sized rocks and debris erode from hillsides and fall into street during rain events. This can pose a serious and liability concern for the patrons and the City. Netting is widely used to stabilize banks and prevent debris from falling into roadways and is a common practice.

**METHOD OF FINANCING**

Estimated Project Cost: \$23,000

**PROJECT DESCRIPTION**

Rowe Street

**NEED/JUSTIFICATION**

In late 2015, a sinkhole formed on Rowe Street as a result of a collapsed 50 year old concrete sewer line. City crews replaced the line as well as repaired multiple sewer line connection points in street. As a result, a substantial area of the upper portion of the street is in need of repaving.

<b>Project Type:</b> Public Utilities: Water	<b>Budget Period:</b> 2022-2026
<b>Project Duration:</b>	<b>Project Priority:</b> 1
<b>CIP Listing Number:</b> 1-45	<b>Project Financing Rating:</b> C

**METHOD OF FINANCING**

Estimated Project Cost: \$25,000

**PROJECT DESCRIPTION**

Fire Hydrant Annual Replacement

**NEED/JUSTIFICATION**

The fire hydrant system has 38 old fire hydrants which do not have steamer ports. They have two 2.5" ports and no 4" steamer port. This reduces the water flow and drops the City's ISO insurance rating and the ability to fight large fires. An annual replacement of three hydrants per year would help to bring the system into a lower ISO rating. In some areas, the water main lines must be replaced and increased in size to accommodate the higher water flows for the hydrants.

Replace existing exposed 16 inch AC waterline with 16 inch Ductile iron waterline.

**NEED/JUSTIFICATION**

Existing pipe is installed on a bridge structure, exposed to the weather and could be subject to vandalism. The existing pipe material degrades over time when exposed to the elements. The broken line could be difficult to repair and damage from a broken pipe could be significant.

**FINANCIAL IMPACT NARRATIVE**

Project Title: Winchester Creek Crossing	Fund(s) Impacted: 003
Project Type: Public Utilities: Water Utility	Budget Period: 2023
Project Duration:	Project Priority: 2
CIP Listing Number: 1-51	Project Financing Rating: C

**METHOD OF FINANCING**

Estimated Project Cost: \$17,500

**PROJECT DESCRIPTION**

Install valve, blow off assembly and standpipe on the southerly side of Winchester Creek, converting existing blow off assembly on northerly side of creek to a standpipe.

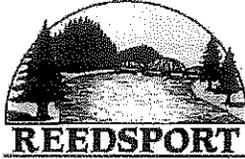

**NEED/JUSTIFICATION**

Winchester Bay, Reedsport and all other connections to the water system are served by a single waterline under Winchester Creek. The existing line is concrete encased steel pipe nearing the end of its design life. Repairing a failed line under the creek could take a considerable amount of time and the entire water system would be without water. The proposed system would provide a temporary minimal supply until the repair was completed.

**METHOD OF FINANCING**

Estimated Project Cost: \$2,700,000

**PROJECT DESCRIPTION**

Master Heights Water Reservoir

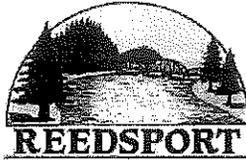

**NEED/JUSTIFICATION**

The placement of a reservoir at Master Heights is identified in the Water Master Plan. This reservoir would provide water storage for the uptown area and Winchester Bay in the event of a major waterline break or problems at the ozone plant. Currently these areas have no water during major breaks. This is a critical problem for the Lower Umpqua Hospital and at the Highland School.

<b>CIP Listing Number:</b> 1-84	<b>Project Financing Rating:</b> C

**METHOD OF FINANCING**

Estimated Project Cost: \$110,000

**PROJECT DESCRIPTION**

Redirect Hawthorne and 20th waterline.

**NEED/JUSTIFICATION**

The current ac water line that services Hawthorne and 20th is in dire need of replacement and is over 70 years old. The ac pipe runs down between houses and is very hard to service. In 2020 the line broke 5 times, the line is very fragile and it is sometimes difficult to find a durable pipe to attach to. The new pipe will run down the side of Hawthorne and will be upgraded to a C900 pipe.

**FINANCIAL IMPACT NARRATIVE**

This will be funded from the water system development fund 020.

**METHOD OF FINANCING**

Estimated Project Cost: \$75,000

**PROJECT DESCRIPTION**

18th Street & Ivy sewage pump station replacement

**NEED/JUSTIFICATION**

December 31, 2005, the Ivy Station was completely submerged due to flooding in the Schofield Creek. Power to the station is on a power pole and had to be shut down and could only be reached by boat. Both of the pumps in the station had to be rebuilt as did the electrical controls. The valves in the wet well under the station are corroded open and cannot be closed. There is a constricted overflow valve to the creek which needs to be removed. The station was built in 1973 and the replacement parts are difficult to obtain and expensive.

**METHOD OF FINANCING**

Estimated Project Cost: \$100,000

**PROJECT DESCRIPTION**

replacement of pumps and circuitry at the sewer pump station located at 8th St. and Mill.

**NEED/JUSTIFICATION**

Pumps and related circuitry is old technology and underperforming. While running, the station vibrates and is a neighborhood noise nuisance. Preventive maintenance and after-hours call outs have become an issue as the pumps have aged. Parts and labor into this pump station since 2014 is \$7000. Also, a new hinged cover (doghouse) is needed for the pump station if it is not replaced. Pump station wet well is currently operating above the hydraulic profile of collection system inlets. In other words, in order to get the pumps to prime and pump, the level of the wet well needs to be higher than the inflow of sewage.

**PROJECT DESCRIPTION**

12th and Juniper Pump Station Upgrades.

**NEED/JUSTIFICATION**

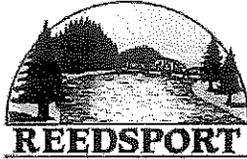

The 12th & Juniper wastewater pump station was mentioned in the 2004 wastewater facilities plan as in need of more pumping capacity. Currently, storm events cause high wet well alarms at the pump station. Pump clogging is also an issue that demands significant staffing hours to maintain the limited pumping capacity. Circuitry in the pumping station is outdated and showing signs of heat damage. Wiring and circuitry would need to be updated if pumping capacity were to be increased. Some kind of anti-clogging/deragging may also be of benefit to this application. The existing emergency power supply is also

**FINANCIAL IMPACT NARRATIVE**

This will be funded from the capital improvement wastewater fund.

**PROJECT DESCRIPTION**

HVAC System for the Sewer Plant.

**NEED/JUSTIFICATION**

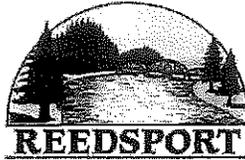

The HVAC system at the sewer plant in the load center building needs replacing. The last inspection showed corrosion on the coils and will likely only last a year before we will have issues with the system. The HVAC system is vital to keep a constant temperature for the operating system of the sewer plant.

**FINANCIAL IMPACT NARRATIVE**

This will be funded from the capital improvement wastewater fund.

Project Title: Slip lining from Schofield Bridge to Riverfront Way	Fund(s) Impacted: 004
Project Type: Public Utilities	Budget Period: 2026
Project Duration:	Project Priority: 1
CIP Listing Number: 1-94	Project Financing Rating: C

**METHOD OF FINANCING**

Estimated Project Cost: \$375,000

**PROJECT DESCRIPTION**

Slip line 5000' of gravity sewer line from Schofield Bridge to Riverfront Way

**NEED/JUSTIFICATION**

sewer's main capacity issues have plagued the city in the winchester Avenue for many years. Sewer system overflows have been documented during periods of heavy rainfall resulting in risk to human health. The Manning formula for friction loss has demonstrated that by cure in place lining of the entire trunk line from the Schofield Bridge to Riverfront Way, a route estimated to be 5000 linear feet, a full pipe discharge of 19% can be achieved. There are several reasons why a simple replacement of the existing nine with a bigger nine is deemed to be problematic. First, the geography of downtown is very flat over

Project Title: RV Dump Expansion	Fund(s) Impacted: 004
Project Type: Public Utilities	Budget Period: 2022
Project Duration:	Project Priority: 1
CIP Listing Number: 1-95	Project Financing Rating: A

**METHOD OF FINANCING**

Estimated Project Cost: \$375,000

**PROJECT DESCRIPTION**

RV dump expansion to help with increased usage.

**NEED/JUSTIFICATION**

The existing sewer dump was constructed in the early 1990's. Since that time the demand for sewer services of this kind have increased. Not only has the number of recreational vehicle usage increased but the volume of the holding tanks per vehicle has also increased. During peak usage the chemicals have had a detrimental effect on the City's wastewater treatment process. Pretreatment of a 10,000 gallon holding tank and a pump with a non-clog impellor will be able to control the flow by a timer. This will allow the sewer dump during peak usage to be introduced to the City sewer plan at a pace rate rather than a usage

**FINANCIAL IMPACT NARRATIVE**

This will be funded from the capital improvement wastewater fund.

<b>Project Title:</b> Levee Repairs and Upgrades	<b>Fund(s) Impacted:</b> 005/150
<b>Project Type:</b> Public Utilities: Stormwater	<b>Budget Period:</b> 2023
<b>Project Duration:</b>	<b>Project Priority:</b> A
<b>CIP Listing Number:</b> 1-71	<b>Project Financing Rating:</b> D

**METHOD OF FINANCING**

Estimated Project Cost: \$5,500,000.00

**PROJECT DESCRIPTION**

Levee repairs and upgrades

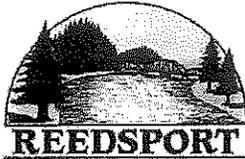

**NEED/JUSTIFICATION**

The most recent projection for completing the necessary repairs and improvements to the levee system are estimated at \$5,500,000. A grant application has been submitted for the cost of this project with a 25% match required. Completing this work would allow the City to recertify the levee system to FEMA's standards.

<b>Project Title:</b> Winchester/Highway 101 Storm System Redesign	<b>Fund(s) Impacted:</b> 005
<b>Project Type:</b> Public Utilities: Stormwater	<b>Budget Period:</b> 2021
<b>Project Duration:</b>	<b>Project Priority:</b> A
<b>CIP Listing Number:</b> 1-75	<b>Project Financing Rating:</b> C

**METHOD OF FINANCING**

Estimated Project Cost: \$7,000

**PROJECT DESCRIPTION**

Winchester/Highway 101 storm system redesign

**NEED/JUSTIFICATION**

Existing storm drain outfall, valve and inlets were not designed properly and during high water/rain events, do not allow for water to flow out and regularly backs up from Schofield, which then flood the intersection at Winchester and Highway 101. Design for a storm drain solution is required to properly remove standing water during rain and high water events.

<b>Project Title:</b> Telemetry Alarm System	<b>Fund(s) Impacted:</b> 005
<b>Project Type:</b> Public Utilities: Stormwater	<b>Budget Period:</b> 2024-2025
<b>Project Duration:</b>	<b>Project Priority:</b> C
<b>CIP Listing Number:</b> 1-79	<b>Project Financing Rating:</b> D

**METHOD OF FINANCING**

Estimated Project Cost: \$136,000

**PROJECT DESCRIPTION**

Telemetry is an automated communication process installed at locations e.g. pump stations, collection sites. Measurements and data can be collected from flow levels, pumping conditions, operation of pumps and equipment and transmitted to receiving equipment such as a computer at another location for the

**NEED/JUSTIFICATION**

Activities from pump stations and reservoirs has the opportunity to be remotely monitored at a central location or via cell phone without the physical presence of staff. Activities such as motor run times, equipment activity, electrical consumption are among the list that can be monitored. This will increase utility efficiency and reduce staff time checking pump stations.  
 Storm water has 4 pump stations which would utilize the Telemetry System. Stormwater station have audible alarms only so have the greatest need for an alarm system.
