## IMPACT ON FISCAL YEAR 2019-2020 TAX COLLECTIONS FOR OVERLAPPING TAXING DISTRICTS

The use of tax increment financing creates a fiscal impact on the taxing districts that levy taxes within the Reedsport Urban Renewal Area. This impact consists of those districts foregoing the taxes that would have been levied on the increase in assessed value within the Area while tax increment financing is in effect. No additional property taxes are created for the Reedsport Urban Renewal Agency.
