

CITY OF REEDSPORT

Tree Board/Parks & Beautification Committee 2022 Annual Work Plan

OUTREACH:

- Cultivate community partners/volunteers.
- Publicize and promote National Arbor Day. (April)
- Plan and execute a successful Arbor Day Celebration.
- Work with local nurseries to hold tree related workshops.
- Facilitate an art contest for students.
- Submit the Tree City USA certification and application.

MANAGEMENT:

- Update tree inventory.
- Heritage tree inventory.
- Review tree planting plans for annual park improvements.
- Plant mitigation/replacement trees upon/prior to removal.
- Continue to evaluate available planting spaces in public rights of way to incorporate trees.
- Facilitate open space restoration work parties and install native plants.
- Continue restoration efforts of replanting native species, including trees, on over 140 acres of park property.
- Continue invasive plant control work.
- Continue tree trimming.
- Assist City with tree protection and replacement activities.
- Mulch park and greenspaces.
- Install water gators on young trees needing supplemental water and fill weekly.
