

The Community Development Department includes the Planning and Building Programs. The Planning Division provides general planning administration and services involving land use planning, zoning, the comprehensive plan, implementation of the State Land Use Planning Goals, and other short and long-term planning projects. The Building Division administers the building permit program (including plumbing, mechanical and electrical permits) for all construction activities within the City.

The City of Reedsport Community Development Department is located in City Hall at 451 Winchester Avenue in Old Town Reedsport.
