

# City of Reedsport

## Adopt-a-Park Volunteers

**Want to help keep Reedsport parks and landscaped areas clean and beautiful? Interested in giving back to the community? Adopt-a-Park volunteering is a way to do just that.** Adopt-a-Park Volunteers "adopt" a park or landscaped area by committing to a regular schedule of volunteer services.

### **What do Adopters do?**

Adopt-a-Park Volunteer tasks may include the following:

- Removing litter
- Pulling weeds
- Pruning shrubs, trees, plants
- Planting shrubs, trees, plants
- Mowing lawns
- Reporting safety hazards and graffiti

### **How much time does it take?**

Adopters agree to serve at regular intervals at their adopted site. This can be from monthly to just once a year.

### **Who can adopt?**

Organizations, businesses, church groups, youth groups, families, and individuals can adopt a park or landscaped area.

### **How are adopters recognized?**

Public acknowledgment will be made in the local media and after a year of service, a sign will be posted at your adopted park or landscaped area identifying your group as an adopter.

### **How do we get started?**

Complete an Adopt-a-Park application (other side) and return to the City of Reedsport. You will be contacted to go over the program details.
